

## Natural Health Practitioner Interest & Registration Form *Your Payson Wellness Connection*

Unity of Payson, 1000 N. Easy Street, has a major initiative under development to educate and promote wellness, especially complementary health options such as Mental Health & Spiritual Counseling, CBD & other Health Product counseling, Healing Touch, Hypnotherapy, Mio Facial Release, Massage, Reiki and group health activities such as Qi Gong, Tai Chi and other group physical activities.

Our website [www.paysonwellness.com](http://www.paysonwellness.com) is up now in the building stage and when complete in the near future, it will feature information about these complementary wellness opportunities and offer practitioners the opportunity to have their own page on the site. The website will be promoted in our community on social media, in Roundup articles, and on radio. You can check us out at [www.unityofpayson.org](http://www.unityofpayson.org).

We also have a private room (Tranquility Room) which is suitable for individual practitioner use on an hourly, shared income basis and a large fellowship hall for group health activities. The private room has seating, décor appropriate to its use, a sink, has temperature comfort controls and is carpeted. It can be set with or without a massage table—there is one in the room which can be folded down or up depending upon your needs. There is a private entrance, a client waiting area and a bathroom. It is available now. Scheduling over the next few weeks can be arranged by calling 928-235-7142, but all registered practitioners will have access to an on-line reservation system on [www.paysonwellness.com](http://www.paysonwellness.com). You will be able to confirm room availability immediately.

This agreement and interest form can function as an actual registration form because you want to be part of the system or you can use it to indicate your interest, but want more information. Unity is committed to spiritual and physical health.

**Monthly Usage Fee is \$45** and maintains your participation as part of the **Your Payson Wellness Connection** program. The fee includes three 90-minute session times you choose (they are pre-paid). The monthly fee can be paid on-line, on the site (we are trying to avoid lots of paperwork). You pay nothing more, unless you want to use more than three session times. Additional session payments of \$15 can be made on-line or by putting cash or a check in the lock box in the hallway. Two-hour time blocks are \$20. There is no extra charge for your web page on the site and all of the publicity is free.

**Additional Hourly Use Fee (beyond the first three)** is \$15 which is the shared revenue fee per hour (remember 3 sessions are prepaid each month in your Monthly Usage Fee). Uses of the room beyond the first three can be paid into the secured collection box after each session, on-line or bulk payment can be made if multiple sessions are reserved.

**Usage Agreement:** Each practitioner agrees to leave the room in a clean and orderly way so that the next user can begin their client session with confidence. The lights and heat or air conditioning will be turned off, the exterior door locked. We appreciate our neighbors' rights and, therefore, expect that practitioners and their clients will not create noise or other nuisance situations.

### **Are you Interested?**

It is likely that we will have to limit the number of participants, so we encourage you to indicate your interest sooner rather than later. We will review the interest and registration forms we receive within 10 days. We will not discriminate on the basis of services offered, other than to seek assurances that the services offered are safe and legal.
